It is hard to believe that June is fast approaching. Where did the first half of the year go? It has certainly been a busy six months given the start of the hybrid live/Zoom meetings in Brighton. We have faced a few challenges, but we will get there. Many of the Quilting presenters are now preferring the on-line environment. Given that many of them have invested in the equipment to support online presentations during the Covid epidemic this is very understandable. Also, it does eliminate the need to travel or stay overnight outside their homes. It is likely a given that this will be the way of the future. That does not mean to say that there will not be live presentations next year, there will and other events like silent auctions etc. Anyway, we will soon be heading into our summer break. I am sure many of you will have plans for the Summer including visits with all those family members we haven't seen in awhile.

We have been approached by other Guilds to discuss how we are coping with the move forward from the Covid situation. This will be an on-going discussion group that I hope will lead to more collaboration between our Guilds. We can always learn so much from the experience of others. I am heading this up for now, but I am looking for a Guild member who may be interested in taking this over. So please let me know if you have a burning desire to be involved 😊.

We will be replacing some executive and other positions as per normal for this time of the year. Here is the list of nominees.

#### Executive

Treasurer ----- Diane Cichon.

Membership ----- Joan Cohrs.

Sunshine ----- Linda Cowburn.

Website ----- Sue Davies has agreed to stay on for another year.

#### Coordinators

E-Mail ----- Danielle Gagnon.

Xmas Placemats ----- Marie Newman /Janet Kivisto.

Please let me know if you have any interest in running for any of these positions

The new executive for 2022/23 will be approved by the membership at the June 2022 meeting and sworn in. We will also be voting on changes to the TVQG Constitution and By-laws.

Okay that is likely enough from me for this newsletter submission. I am working on 3 quilts now so that should keep me out of trouble for the next few months.

Rita.

Hello fellow quilters. Just a quick note to wish you enjoyment of all the beauty that the summer months have to offer us. If you are travelling, the vacation starts from the moment you go out your door, so take your time to appreciate everything that passes you by until you reach your destination. As I get older, every year seems to go by even quicker so I am learning to appreciate and treasure every thing in my life, whether I perceive those things as positive or negative. It's usually the negative things that have helped me to grow the most. I look forward to seeing you all again in September! Take care and be safe.

### Greetings from Comfort Quilts

We have been a busy group getting quilts ready for the Ukraine refugees that are beginning to arrive in our area....and we couldn't have done it without all of your support. To date we have made contact with three families and given out 10 quilts. Our last in person get together before we break for summer will be on June 16 at the Frankford United.

Have a safe and hopefully 'Covid' free summer.....see you in September.

The website will continue to be updated during our summer break.

When you finish your 2020 or 2021 Mystery Quilt send me a photo and information about the quilt. Once a number have been received, the photos will be compiled with your name and story. It will be posted to the website under:

Members Blog Page (under Members Log In) for all the guild members to enjoy. It is always amazing how different the quilts look even though they were made with the same pattern.

Have a wonderful summer and happy stitching.

A reminder for everyone to please lug your mug, in order to enjoy your coffee or tea from your favourite drinking vessel.

And, for those who volunteered to bring treats to share, please, just finger food, no dipping sauces.

We are looking forward to a fun end-of-the-Guild-year celebration.

### Weird Things Only Quilters Do!

1. Name your sewing machine. Then talk to it while you're sewing.
2. Carry spools of thread, needles, snips in your purse. You never know when you'll need them.
3. See quilt patterns in bathroom tiles, carpet designs, gardens... basically everywhere!
4. Pet fabric. When we're in the quilt shop we like to touch and ogle before we buy it.
5. Make quilts with no plan. People always ask what occasion the quilt is for, but we know we're sewing because we love it.
6. Think a scant  $\frac{1}{4}$ " is a totally acceptable measurement. (We also handle  $\frac{1}{8}$ " and  $\frac{1}{16}$ " too!)
7. Save the smallest scraps. We can't throw anything out because "we might need it some day".
8. Yell at our kids for not cleaning their rooms but have the messiest sewing space. (If we haven't decluttered yet!)
9. Buy new supplies because they're in a colour you don't own. You can never have too many rotary cutters!
10. Spend time with your quilting friends online. You've never met them in person, but they're your BFFs!
